MONTHLY UPDATE

Emerging markets declined during January, as investors locked in profits and re-assessed the timing of US interest rate cuts.

Brazil cut interest rates by a further 50p to 11.25%, with more to come.

Vietnamese GDP rose 6.7% in Q4 2023, providing further evidence of a sharp economic recovery.

During the month, we exited Weimob in China. We added Al Rajhi Bank (Saudi Arabia) and Unimicron (Taiwan) to the portfolio.

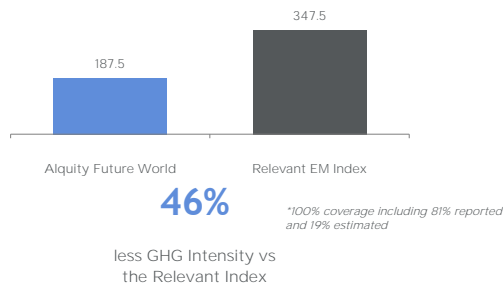

STOCK OF THE MONTH

B3 SA (Brasil Bolsa Balca) is the largest stock exchange in South America, based in Brazil. B3's products consist of trading, clearing, and other post-trade services. The company has a number of sustainable competitive advantages that have cemented their place in Brazil's financial infrastructure. From a cyclical perspective, B3 will benefit from the rate cutting cycle in Brazil and easing inflation, which makes equity investment more attractive thus boosting market volumes. B3 has exceptionally high environmental standards, and has been carbon neutral since 2013 with a high level of disclosure (such as scope 3 emissions).

ESG: KEY PROGRESS INDICATORS

For all portfolio holdings, we track a set of Key Progress Indicators "KPIs" that represent a general set of transparency and ESG standards we want all firms to meet over time. In each case, the assessment has a financial motivation and an associated positive potential impact in line with the principles of the UN Global Compact. The chart summarises the where we stand in relation to the KPIs for all the portfolio holdings. These KPIs support our engagement activity with our holdings. Please contact us or refer to our Responsible Investment brochure for full details.

FUND OBJECTIVE

The Alquity Future World Fund is equity focused and targets attractive risk-adjusted returns over the long-term by investing in public companies across the emerging and frontier markets. Our portfolio emphasises long-term themes, transparency and alignment of management. This is achieved by a fundamental process which incorporates both financial valuation and Environmental, Social and Governance analysis of material non-financial factors.
