PERFORMANCE CONTRIBUTORS AND DETRACTORS

Indian markets delivered a negative return in US Dollars in January.

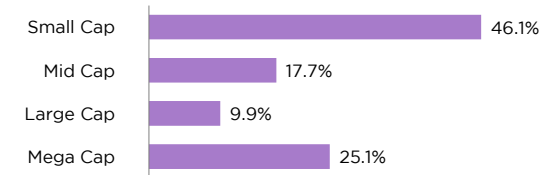

The Fund primarily suffered from the poor performance of small cap stocks, which we expect to be transitory.

Notable negative contributors were Lemon Tree Hotels, Oberoi Realty (in contrast to the strong gains for both companies in the previous month), Aditya Vision (retail) and Skipper (industrials).

The largest positive contributors were from the non-bank finance companies (Aptus Value Housing Finance, Mahindra Finance and Chola Finance) as well as Dabur (consumer staples). However, this was not enough to offset the underperformance elsewhere.

ESG: KEY PROGRESS INDICATORS

For all portfolio holdings, we track a set of Key Progress Indicators "KPIs" that represent a general set of transparency and ESG standards we want all firms to meet over time. In each case, the assessment has a financial motivation and an associated positive potential impact in line with the principles of the UN Global Compact. The chart summarises the where we stand in relation to the KPIs for all the portfolio holdings. These KPIs support our engagement activity with our holdings. Please contact us or refer to our Responsible Investment brochure for full details.

Holdings meeting each KPI standard - % of companies¹

FUND OBJECTIVE

The Alquity Indian Subcontinent Fund is equity focused and targets attractive risk-adjusted returns over the long-term by investing in public companies across the Indian Subcontinent. Our portfolio emphasises long-term themes, transparency and alignment of management. This is achieved by a fundamental process which incorporates both financial valuation and Environmental, Social and Governance analysis of material non-financial factors.
