

# Proxy Voting for Alquity's Global Impact Fund

Exercising our voting rights is an important aspect of Alquity's investment process, as we must ensure our interests as minority shareholders are well represented.

As research-driven investors, we approach our proxy voting responsibilities with the same commitment to rigorous research and engagement that we apply to all our investment activities, and we systematically vote on all issues at company meetings where we have the authority to do so.

We subscribe to the proxy research services provided by Institutional Shareholder Services ("ISS").
